

MISSION STATEMENT

We inspire people to follow Jesus and together change our world for good.

We respond to the issues of the day through the lens of Jesus, who always engaged others with grace, truth, and empathy. As we follow Jesus' lead, we pray for discernment and ask for wisdom as we lead and love people.

We are optimistic about the future. We encourage and empower emerging leaders from the next generation who will shape the church for years to come.

We are never more like Jesus than when we give up our preferences for the sake of others. We design every part of Chase Oaks to not only be relevant to us, but to be compelling and engaging to those who have yet to come.

In a divided and complex world, we are known for what we are for, not what we are against. We love in unexpected ways and with surprising generosity as we seek out brokenness, need, and injustice in our world with the hope of Jesus.

We focus on our common mission and core biblical beliefs. We refuse to allow secondary issues to divide our church.

WE SEE
Beauty
IN
DIVERSITY

Our unity is beautiful when it reflects the diversity of our world. We are committed to the hard work of bringing different people together for good and demonstrating God's love in unexpected ways.

— WE ARE —
NOT SET
— IN OUR —
Ways

Though our biblical “functions” stay the same, we change our church “forms” to reach a shifting culture. We look for opportunities to modify whatever we do so that we can be as effective as possible with the mission we’ve been given.

WE
DON'T GO
IT
Alone

We are better together because healthy and helpful friends make a world of difference. We focus on gathering in groups, serving in teams, and partnering with others who are doing great work in our community.

WE ARE ALL

Same Boat

As real people with messy lives, we are mindful of our own shortcomings. We are all on a journey of transformation. We celebrate momentum over destination, inspire through grace rather than shame, and all take steps to mature in faith, hope, and love.
