

LEADER RESOURCES

HOW TO GO FURTHER FASTER TOGETHER

If you want to make a difference, helping a group of people connect relationally so they can grow spiritually is a powerful way to do it. If you want to lead others through this study, that's great! Invite a few friends, co-workers, neighbors, or family members to join you. You can do it; we can help. Let us know you're doing it so we can support and pray for you.

We have a few resources to get you off the ground and running. Go to chaseoaks.org/futurequest, and you'll see two leader videos designed to help you lead through this study: Leader Video #1, The Foundations for a Great Group, and Leader Video #2, The Characteristics of a Great Leader.

Also, look at chaseoaks.org/leadership, where you'll find Chase Oaks Church's *Leadership Playbook*, which describes our essential leadership principles.
