

LEADER RESOURCES

YOU CAN DO IT. WE CAN HELP!

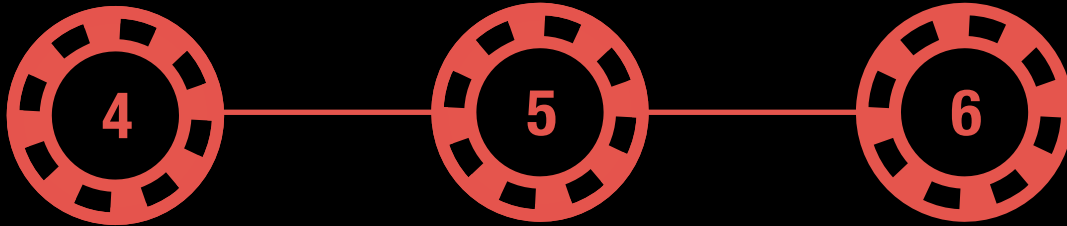

A small gathering of friends who are pulling for each other changes everything. That's why we're so passionate about groups at Chase Oaks Church. There is no better investment of time than creating an environment where friendships can develop and deepen, and next steps can be taken.

If you want to lead others through this study, that's great. Invite a few neighbors, co-workers, family members, or friends to join you. Let us know you're doing it so we can cheer you on.

We have a few resources to get you off the ground and running. Go to chaseoaks.org/thegamble, and you'll see two leader videos designed to help you lead through this study. Also, check out chaseoaks.org/leadership, where you'll find Chase Oaks Church's Leadership Playbook, which describes our essential leadership principles.
