

Chase Oaks Financial Update

Hello Chase Oaks,

In a season where our world seems to have become a little more anxious and a little less hopeful, you have stepped up in generous ways to bring love, help, and hope for so many people at Chase Oaks, in our community, and all over the world. Thank you for your generous spirits and actions over this past budget year and especially during this pandemic. Our fiscal year as a church ends on July 31, so we wanted to give you a brief update of what has happened through your generosity and our financial status as a church.

During this season, we have tried to closely manage expenses inside the church so we can be very generous in our community. I don't know if we've ever had a better opportunity to love and meet needs than the season we are in. Through your generosity, we have been able to provide childcare to essential workers all over DFW, provide meals, PPE, and encouragement for five hospital staffs, helped over 100 families with groceries and unexpected financial hardship through Here for Good Grocery Cards and Love Fund, gave \$70,000 to our local food pantries, provided essential resources to our partners in Kenya and Egypt, and so much more through partner teams, groups, and individuals at Chase Oaks loving those around them. We also have more than 30 new neighborhood leads to help care for our neighbors. None of this could happen without your generosity and heart for others.

As we end the budget year, we have seen a decline to the general giving fund since COVID-19 hit of roughly 8% through this season. This has put us behind our budget forecast, but we have been able to manage expenses to offset the decrease in giving. With ReGather right around the corner, expenses will begin to increase. Thank you to those who have been so faithful through this season and for those who have started giving, it has been so encouraging to see. If you are able, please consider giving to help us finish the budget year in a healthy place and to look ahead to what all God has for us. You can give online at www.chaseoaks.org/give.

If you have come upon financial hardship or setbacks over this season, please let us know. Chase Oakers have been so faithful to our Love Fund and Local Outreach Fund that we are able to continue to care well for those in need at Chase Oaks and continue to meet needs in our community.

Thank you for continuing to be generous people who are Here for Good.

Together,
